

Country overall progress for implementing the Malabo Declaration for Agriculture transformation in Africa

Against the 2021 benchmark of **7.28 out of 10**, which is the minimum score for a country to be on track towards achieving the CAADP Malabo goals and targets by 2025, countries whose score appears in "green" are **ON TRACK**, countries whose score appears in "blue" are **PROGRESSING WELL** (score of 5 or greater out of 10 but less than the benchmark), while countries whose score appears in "red" are **NOT ON TRACK**. The arrows with percentages indicate the progress made by the country between the second (2019) and the third (2021) biennial review cycles.
